Middletown Springs Elementary School 2012-2013

Mission

The mission of the Middletown Springs Elementary School is to develop successful learners and well rounded, responsible citizens in a mutually respectful environment.

Vision

The Vision of the Middletown Springs Elementary School is to become a sustainable and innovative model of a community school. As a community of learners, we will collaboratively nurture a positive learning environment that promotes and celebrates lifelong learning. We will use current, well researched practices that focus on the intellectual, physical, social, and emotional well being of the child.
